

# CORBIN ROBB

# Full Stack Developer

303-875-1783 | [corbinrobb@gmail.com](mailto:corbinrobb@gmail.com) | Denver, CO

[Portfolio](#) | [GitHub](#) | [LinkedIn](#)

---

**SKILLS** React - JavaScript - TypeScript - Python - Node.js - Express.js - SQL - PostgreSQL

---

## PROJECTS

Superset - **Contributor/Front End Developer** | React - TypeScript - Ant Design | [Github](#) | [Pull Requests](#)

Data visualization and data exploration platform

- Implemented bug fixes and feature work for components within the React application's user interface
- Refactored React components from JavaScript classes to functional TypeScript components

Apollo - **Back End Developer** | JavaScript - Node.js - Express.js - PostgreSQL | [Github](#)

Management software focused on providing leadership with tools to guide the vision and delivery of a team

- Crafted PostgreSQL database tables, designed their data and relationships using Express.js and Node.js
- Built out RESTful API endpoints with authentication and wrote detailed documentation using SwaggerUI
- Took part in remote daily stand-ups with the front end team and pair programmed together

[Secret Family Recipes](#) - **Front End Developer** | React - Redux - JavaScript | [Github](#)

Web application for writing and organizing family recipes

- Applied Redux architecture, actions, and reducers to handle React components state and API requests
- Pair programmed and strategized remotely on a small team to deploy the application within a week

[DevDesk Queue](#) - **Front End Developer** | React - JavaScript | [Github](#)

A web application made to create and organize help tickets for BloomTech students and Team Leads

- Developed React login form component with validation and error handling
- Collaborated remotely on a team of four developers to build the application in a few days

---

## EXPERIENCE

Superset - **Contributor/Community Partner - Remote** Jun 2021 - Current

- Helped reproduce and solve React and UI problems reported by user base
- Taking an active part in community partner stand-ups and teaming up remotely with other members

Sock Club - **Web Development Intern - Remote** Nov 2020 - Dec 2020

- Designed and developed JavaScript features for a custom sock design tool
- Planned and developed features remotely on a small agile team

Comedy Works - **Bartender - Greenwood Village, CO** Sep 2015 - Nov 2018

- Optimized bar area for a single bartender to efficiently handle 100 customers an hour
- Crafted tasty alcoholic beverages while giving quality customer service

---

## EDUCATION

**Bloom Institute of Technology** (formerly Lambda School) - Remote Mar 2020 - Oct 2020

**Full Stack Web Development & Computer Science**

BloomTech is an eight-month accelerated program with an immersive, full-time, 40+ hours/week, hands-on curriculum focusing on computer science, software engineering, and web development.

**Red Rocks Community College** - Lakewood, CO Aug 2018 - Dec 2019

Completed 37 credits towards an **Associates of Science** - GPA 4.0

Courses: Technical Writing - Calculus - Algebra - Trigonometry - General Chemistry - Organic Chemistry
